It all started back in '42 when the Freshman body first assembled as they entered senior high school. Officers were elected: President, Richard Kindinger; Secretary and Treasurer, Joan Bertsche. Under the advisorship of Mr. Enoch and Mrs. Barton the "freshies" put in their order for a successful education. The sophomore year quickly rolled around and officers were elected anew; President, Jeanne Sand; Vice-President, Nancy Neff; Secretary and Treasurer, Joan Bertsche. A sophomore is just a sophomore! Nothing adventurous or exciting happens. But there is always the knowledge that the coming junior year brings the magnificent plans of the annual junior and senior reception and also the care and management of the Stadium Concession Stand. But finally the sophomore dreamer is in the past and it's a full-fledged junior you see. Under the leadership of President, Marilyn Oliphant; Vice-President, Jack Helfrich; Secretary and Treasurer, Martha Jones; the junior year ends successfully. The coming of September, 1945, introduces the senior year. It's a full and exciting year for the Freshies who started out so valiently in the not so long ago year of '42. When officers for the year, President, James Harbaugh; Vice-President, Roy Wright; Secretary and Treasurer, Richard Kindinger, were elected the advisors, Miss Griebling and Mr. Rice, stood patiently and helpfully by while it was decided that the seniors were to be in charge of sponsoring the weekly dances including the annual Home Coming dance. A Winter Carnival in the early part of February and an assembly in the latter part were also included in the year's calendar. Swiftly the months flew by and before it's actually realized, spring is upon us, and with spring comes the Senior Play, Reception, Baccalaureate and finally —Commencement!

The class of '46 will long remember and be remembered as the first peace-time graduating class within the past four years. As a parting word may we all express our hope that C.H.S. will note our absence, for without a doubt, C.H.S.'s absence will be noticed by us.

Class Song

(To the tune of "The Shrine of St. Cecilia")

Our school days are over
And now we must go,
Leaving our teachers
And the friends we all know,
But oft in our memories
Our fond thoughts will dwell
On dear old Crestline High School.
And, when at eventide
We seek haven from our daily care
We'll think of Crestline High,
We had so much fun there.
And, now as we part
We want you to know
The thought will be with us
Wherever we go
That through all these years
The best part of life
Was dear old Crestline High School.

Senior Class Prophecy

Nome, Alaska
May 25, 1956

Dear Pam,

By the time you get this letter you will probably be making great plans for the picnic. I received an invitation last week from our "46" secretary, RICHARD KINDINGER, who I understand has a large dairy farm north of Crestline now. I had almost forgotten about the plans we made way back there in "46." Although I will not be able to attend on account of my business, I sincerely hope that all of the old class mates will be there. The invitation said that the picnic was to be held at the Wright estate. By the way, what is ROY WRIGHT doing now? I imagine that there will be plenty going on when you all get together and start talking of old times.

When and if you do get to Crestline, please stop in and see my partner in business, JOAN HIPP. As you know we started our Super Market shortly after graduation and now look where I am, way up here starting up a new store. Also say "hello" to all the gang when you see them.

I haven't seen many of my class-mates for a number of years, so I will appreciate any news you can bear me of them. I did see DORIS LUCE up here about five months ago. You know, she is a secretary for the Pennsylvania Railroad of which EUGENE VOGLER is President. VAUGHN WILLIAMS is up here studying trees and forestry. I guess he came up here as soon as he finished college in "50." How he can stand it so long is beyond me.

Well, I guess I should sign off now, but please answer and give me all the details about the picnic.

Sincerely yours,
MARTHA JONES

Havana, Cuba
June 15, 1956

Dear Martha,

Well, I certainly was glad to hear from you, although I am sorry that you could not attend our picnic. How I managed to leave my research work for that long a time is beyond me, but I felt I should get back to the old town and see how much it had changed in the past ten years.

Since I was in rather a hurry to get there, I decided to fly my helicopter, which, incidently, was manufactured in Crestline. It seems that FLORENCE KROEGEL, after many successful married years to a Leesvillian, has taken over her father's business selling helicopters. I landed safely at Smith field, which is owned by the prominent business man, LYMAN SMITH. No one knew of my arrival so I walked into Mr. Smith's office, where I was greeted by his attractive secretary, JOAN HERMANN.

From there I caught a bus into town. As I stepped into the bus, I looked up into the face of HENRY STEPHAN, the driver who runs a bus line from Crestline to North Robinson. The bus took me to the down town business district, which has increased considerably.

The first stop was at Concert Hall, which was recently donated by the great pianist, MARILYN OLIPHANT. It is a very beautiful building and really adds a lot to the town. I got off the bus and started down the street when I was almost run down by HERBERT STIFFLER, who is the Automobile Safety Director. Desiring to see some of my old friends, I asked Herbert to drop me off at the hospital, where I understood some of them were working. Then, I was met with another surprise, when he whizzed me right by the old hospital out towards Maple Drive where a large new Hospital is located.

As I entered the City Hospital I was greeted by DONNA SMARTO, who is the head of nurses there. We talked and I heard the familiar voice of ANNE PERITO coming over the loud-speaker system calling, "Call for Dr. Wright, call for Dr. Wright, wanted in surgery right away." Anne is the desk nurse and Roy is the Chief-of-Staff. Donna was called away so I stood there viewing the new hospital when who should rush in but JOHN TRIMBLE, who is in the Veterinarian business with TOM STRAUCH. I looked out and saw Tom sitting in the car. (I guess his wife Alice

talked him out of being a farmer.)

When Donna came back she brought along NANCY NEFF and MARILLYN WEAVER who are both nurses there. Marillyn is an occupational therapist and Nancy is a dietician. Know what I mean?? Nancy was going off duty so she offered to take me back up town in her car. Going down the hospital steps, I passed AUDREY WEBER, who is married to a local railroader, and FLORENCE ANATRA with her four which, she says, is the limit.

On our way up town we passed EDDIE HIPSHER with his new wife "Shorty" in his new "56" Ford.

We stopped at a nice new night club where BEVERLY BAUSCH is singing in her husband's orchestra. We went in and started talking. She told me PRISCILLA McCAFFREY is married and has a couple of little "Sonny's." It seems that JEAN SAWYER is the confidential secretary to JOE ARTER who is the head of the "Farming in Ten Easy Lessons" Corporation. TOM ARTER is head coach at Ohio State and is doing all right for himself. RUTH McNEAL after her varied travels over the world has settled down in Switzerland with a St. Bernard. JAMES HARBAUGH, after surviving Mr. Enoch's Physics and college, is a well known scientist at the Chicago Research Laboratories. Also at Chicago is the handsome playboy, JACK HELFRICH who has finally settled down as a dental lab tech. It seems Dr. Strauch has married his school day sweetheart ALICE RICE, who has set up some new society life here.

We left Beverly and passed down by the Y.M.C.A., where STANLEY ARTER, after many years of studying, has ended up as President of the Y.M.C.A. We dropped in to see him, and his secretary, MARTHA WALTER, told us that DIXIE LACEY was a famous model at Sac's 5th Avenue, New York. HELEN NORRIS, another of Mr. Arter's secretaries, came in with some reports from Mr. Vogler, whom you already mentioned as President of the P.R.R. Helen told me that GUILFORD BURRIS and PAUL MARQUART are down in Africa building a new railroad line. She also said that RUTH McWHIRTER and JOAN GOSSER have gone into the interior decorating business in Cleveland.

We picked up Ruth and dropped her off at the newspaper office which is located next to Sutter Bros. Incorporated. OTTO SUTTER is now manager of a chain of grocery stores. On the other side is a wonderful new music and book store owned by JAMES GARBERICH. We stopped in and I bought a book of "Best Sellers" written by none other than that famous author, SUZANNE SIGARS. "Curly" had the radio on and I heard the feminine voice of the announcer JEANNE SAND say "this is station C-R-E-S bringing you the 'Affairs of JOAN BERTSCHE.'" Joan is still having man trouble. Jeanne has traveled all over the world as a radio announcer and has become quite famous. MARGIE AULT whom I understand is married to Johnny, and GLADYS MILLER came in to buy some records. Gladys is the local senior English teacher. I saw MONICA HARNER whiz by with her husband from Galion.

We then went out to Roy's where most of the crowd had gathered and we all started reminiscing. Talk of graduation, reception, football, etc., filled the air. A few had thought to bring along their annuals and we all had a good laugh at some of our pictures. We had a swell time and planned to try to get together in 1961. I certainly hope you can make it then.

I had one slight mishap on my way home. Something went wrong with my helicopter and I made a forced landing in Springfield, Ohio. Hunting for a mechanic who should I run into but BILL BENJAMIN who is President of the New York Central.

I arrived home safely to find a message from RUTH DICKERSON, who is the United States Ambassador to Brazil. She had dropped in to see me while I was gone.

Well I think I have brought you up-to-date on all of the class of "46" and hope you have enjoyed to hear of them.

Sincerely,
PAM GUINUP

The Homecoming

It has been the custom each year for the football team to choose a queen for the "Homecoming Game." The honor this fall was bestowed on Dixie Lacey. Priscilla McCaffrey and Jeanne Sand were chosen to serve as her attendants.

Before the game was played, Miss Dorothy McCarthy, queen of last year, introduced this year's queen and her attendants. Tom Arter and Jack Helfrich, the honorary captains of the team, presented Miss Lacey, Miss McCaffrey and Miss Sand with corsages of roses. Miss Lacey also received a bouquet of mums on behalf of the team.

Following the thrilling game, which Crestline won, the homecoming dance was held in the high school gymnasium.

Football

The "autumn specialty" in C.H.S. is football. Due to the efforts of Jack Helfrich, Wayne Rhodus, and Tom Arter, William "Bill" Durtsche was secured as coach.

At times, Crestline seemed to be a promising eleven, but then the opponent would strike. At last we gained our first touchdown at Upper Sandusky. This was followed by a thrilling homecoming game with Bucyrus. It was at this game that the spectators witnessed the first win of the season.

Seven seniors, five of whom were from the starting lineup, left the squad of twenty five.

Basketball

Tom Arter

The "specialty" for the winter is basketball. Because of inexperience it was not a successful season.

The team was lead by L. K. Rice, until the return of Merle Hutson, when both men coached the team.

Four seniors left the squad, leaving behind many underclassmen to carry on with much success in the coming years.

Music Department

This year we wish to thank Mrs. Gregg Pennington for the splendid job she has done in the music department.

She has carried on all the activities that come within the school year. Knowing how difficult it would be, she proceeded to work as hard as possible to keep our Musical Activities to their highest point.

Looking back through the years of '45 and '46 we find the C.H.S. A Cappella Choir has participated in many stimulating activities. Heading this list was the annual Christmas Concert which consisted of fifteen religious and Christmas numbers. On the 25th of January an exchange assembly was held with Galion in Galion. The choir members this year were subject to a thrilling change in the customs. For the first time in the history of the C.H.S. choir, some of its members were sent to Cleveland to participate in a State Chorus.

The Spring season brought many exciting plans which included plans for National Music Week's public concert, Choir Festival April 5 which took place in Crestline, and a State Contest Audition at Oberlin was held in April.

The choir is composed of 73 members of which 25 are seniors.

The officers are:

President .....Jack Helfrich
Vice President .....Tom Arter
Business Manager .....Tom Strauch
Librarian .....Vaughn Williams
Assistant Librarian .....Gladys Miller

Our band has done a very fine job in presenting to the public different band formations at every home game. They also have made several trips to our out-of-town games.

Last February 14th the Band gave a public concert which consisted of duets, quartets and ensemble numbers in addition to the entire band. Also the band performed during National Music Week.

The last event of the year, which was the Spring Festival, was held at Upper Sandusky.

This year the C.H.S. Band consisted of 56 members, led by the drum major, Eugene Vogler. It lost 6 of its members in the '46 graduating class.

The officers of the band are:

President .....Richard Kindinger
Vice President .....Beverly Bausch
Business Manager.....Jean Spangler
Librarian .....Dorothy Sherer

The C.H.S. orchestra this year was composed of 26 members. Of these, 4 are seniors. The orchestra proved themselves very efficient to take part in the public program during the National Music Week and the Spring Festival held at Norwalk.

Girl Reserves

In 1923 an organization under the supervision of Miss Freada Miller started with approximately thirty members. This organization was titled "The Girl Reserves." In the past twenty odd years the Girl Reserves has changed in many respects but one factor has remained; its blue insignia representing knowledge, health, and spirit.

This year's group under the advisorship of Miss Cora Cover and Mrs. A. T. Enoch has an enrollment of sixty. This includes the seventeen seniors who will leave at the end of the school year.

"A Girl Grows in the Girl Reserves" is the theme selected for the year '45-'46. Emphasis from this theme is put on the three phases of a young girl's life; her physical, mental, and spiritual nature. The theme this year is carried out through book reviews emphasizing these three phases.

Activities through the school year aside from their monthly meeting and book review were various seasonal parties including the annual Mother-Daughter Party and the Sweetheart Party.

Advocate Staff

Composing the Advocate Staff this year under the able guidance of our returned veteran, Mr. DeWalt, are fifteen members. Out of these fifteen one-third are seniors in the '46 graduating class.

As everyone knows, the word "Advocate" means to broadcast. Thus, we have the derivative of the faithful name of our school page, for it does broadcast and make public school and social events in and about the school life.

This year's staff has undertaken a task which many a staff before has thought of but never pursued; that is the right of their own school paper. The "Lockers Hear" which has been published monthly starting last December 21, 1945 is a great success. The first edition sold more than 250 copies and has been steadily increasing since.

Along with their weekly journalistic feats, the staff also managed to connive plans to combined hay-ride and weiner roast during the past fall season. And last but not least, we mustn't forget their assembly last February for the benefit of the student body.

Lining the counter stools we see:

Editor-in-chief.....Pam Guinup
Who's Who Writer.....Ruth Paynter
Sports Editor.....Junior Margard
Star Reporters—Helen Norris, Jackie Hodgson, Billy Jean Snyder, Elsie Klaesi, Virginia Beeman
Cub Reporters—Jackie Miller, Bessie Fortney, Roy Wright, Martha Jones, Joan Krishbaum, Pearl Poth, Shirley Horton

Substitute..... Mr. Blancett

National Honor Society

The only purely honorary society existing at CHS is the National Honor Society.

A pupil must have spent one year in the school, and must be in the upper fourth of his class to be eligible for membership in this organization. Members possess the characteristics of leadership, scholarship, character, and service.

Once in the Junior year and twice during the Senior year the names of students are submitted to the faculty who elect the students.

The motto of the society is Nobless Oblige—Colors, White and Gold—the flower, Marguerite.

Those of the class of "46" who have been elected are: Ruth McNeal, Jeanne Sand, Marilyn Oliphant, Gladys Miller, Martha Jones, Stanley Arter.

Three more members were elected since the picture was taken. They are Jean Sawyer, Pam Guinup, and Florence Kroegel.

The class of Home Nursing was once again offered to the girls of the Senior Class. This course lasted only three and a half months of the school year. During this time the girls learned the principles of home-nursing.

The course was carried on under the direction of the National Red Cross. The instructors were the county health nurse, Miss Bowder, and Mrs. Carl Bayer, R.N., who donated their time.

Senior girls who completed the course were given certificates by the Red Cross.
